FRUIT BUFFET

Fruits from world over, fresh as ever, served in a platter of love. An experience that will make your guests talk about the wedding for a long time. Unifruitti offers to set up and manage international style fruit buffet at the wedding venue. With a gamut of exotic and mainstream Indian and imported fruit options, combined with international standard of hygiene, elevating the fruit buffet into a fine art.

A new beginning in life needs a fresh take. The reason a basketful of fresh fruits is an ideal gift accompaniment to every wedding occasion. The designer Unifrutti gift packs are prepared to suit all occasions of a wedding. With a gamut of exotic and mainstream Indian and imported fruit options, Unifrutti offers to set up and manage international style fruit buffet at the wedding venue. What's more, the entire fruit basket is being offered as a single brand offering and the range is as varied as Apples from United States, Citrus from South Africa, Kiwi from New Zealand, Rambuttan from Thailand and a host of other Indian and Imported fresh fruits to suit the palettes.

Naturally Delicious Fruits from Unifrutti

Whatever be the occasion... a selection of orchard fresh fruit makes for a deliciously sweet celebration. Unifrutti, one of the largest producers and exporters of fresh fruits in the world, picks them up at the right moment to ensure the peak of enjoyment and add a festive touch that makes for a wonderful memory. It offers the entire fruit basket as a single brand offering with a host of other Indian and Imported fresh fruits to suit the palettes.
